

**CHARTER
TEST RESOURCE ADVISORY GROUP
FOR
TEST & EVALUATION EXECUTIVE AGENT**

- A. PURPOSE:** This charter establishes the Test Resource Advisory Group (TRAG) to provide executive recommendations on T&E infrastructure requirements and investments.
- B. MISSION:** The TRAG implements the policies, decisions, and guidance of the T&E Executive Agent (EA), as directed by the Board of Directors (Executive Secretariat) (BoD(ES)). Additionally, the TRAG provides recommendations to the BoD(ES) on T&E infrastructure requirement identification and investment priorities.
- C. COMPOSITION:** The TRAG Principals are:
- | | |
|------------|--|
| Army: | Developmental Test Command, Commanding General |
| Navy: | Department of the Navy Representative |
| Air Force: | Air Force Materiel Command, Director of Operations |
| DOT&E: | Deputy Director, DOT&E, Resources and Ranges |

The Executive Secretariat of the TRAG is the Director, Joint Program Office for Test and Evaluation (JPO(T&E)).

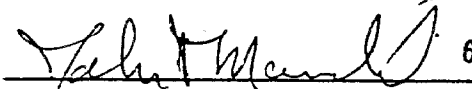

- D. RESPONSIBILITIES AND AUTHORITIES:** The TRAG will:
1. Ensure implementation and develop recommendations, when requested, for guidance and policy for T&E infrastructure and investment management to ensure a disciplined test process supports weapon system acquisition and operational, safety, suitability, and effectiveness assessments with a cost-effective infrastructure.
 2. Recommend the T&E Executive Agent Test Resources Master Plan for BoD(ES) endorsement.
 3. Recommend studies in support of T&E infrastructure management, standards, policy, configuration and investments.
 4. Ensure implementation and develop recommendations, when requested, for T&E infrastructure standards that promote interoperability and commonality among test centers and ranges.

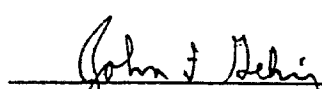

5. Ensure implementation and develop recommendations, when requested, for processes for workload measurement, forecasting, utilization, and full cost visibility application to T&E infrastructure investments and other related decisions.
6. Ensure implementation of, and develop recommendations regarding, the principles of Reliance for use throughout the T&E EA.
7. Together with BoD(ES) designated representatives, recommend T&E infrastructure requirements and investment priorities.

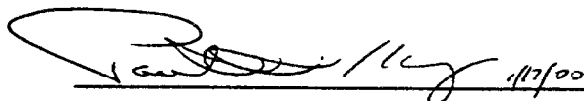

E. OPERATIONS AND ADMINISTRATION. The TRAG will:

1. Report to the BoD(ES).
2. The TRAG will be chaired by a TRAG principal from a Service or organization other than that providing the chairman of the BoD/BoD(ES), for the given two-year rotational period.
3. This charter will be reviewed at the beginning of each two-year term of the BoD.

F. This charter supersedes the Interim Charter for the Board of Operating Directors for Test and Evaluation Management.
